MOTION FOR ENTRY OF STANDING ORDER REGARDING SERVICE OF PROCESS BY THE UNITED STATES MARSHALS ON BEHALF OF THE UNITED STATES

AND NOW, David M. Barasch, United States Attorney for the Middle District of Pennsylvania, moves this court for entry of a standing order directing the United State Marshal to effect personal service of summonses and complaints, pursuant to Federal Rule of Civil Procedure 4(c)(2), on behalf of the United States, at the request of the United States Attorney or an Assistant United States Attorney, when the United States Attorney or an Assistant United States Attorney certifies that:

- a) A waiver of service, as provided by Federal Rule of Civil Procedure 4(d)(1), has been sent to the defendant(s) and service has not been waived; or
- b) Other cause exists warranting personal service in lieu of an attempt to secure a waiver.

As grounds therefore, the Unites States submits:

1. Federal Rule of Civil Procedure 4(c)(2) inter alia, authorizes the service of process by any person, not a party, who is over the age of eighteen years, or, upon the direction of the court, by the United States Marshal.

Prior to the amendments to Federal Rule of Civil Procedure
 the United States Marshal was authorized in all cases, to serve
 summonses and complaints on behalf of the United States.

3. Under the amendments to Federal Rule of Civil Procedure 4, the United States Attorney will be required, in each case where personal service is neccessary or a waiver of service can not be secured, to request authorization from the Department of Justice in Washington for the expenditure of funds to employ private process servers, or to seek a specific directive from the court to employ the United States Marshal to effect personal service.

WHEREFORE, the United States respectfully requests that this Honorable court enter a standing order directing the service of summonses and complaints by the United States Marshal upon certification by the the United States Attorney or an Assistant United States Attorney, that:

- a) A waiver of service has been sent to the defendant(s) and service has not been waived; or
- b) Other cause exists warranting personal service in lieu of an attempt to secure a waiver.

Respectfully submitted,

DAVID M. BARASCH/ / United/States/Attorney

RE: STANDING ORDER REGARDING SERVICE

DATE: JANUARY 11, 1994

The amendments to Federal Rule 4 which became effective December 1, 1993, eliminated service of original process by return receipt requested mail and eliminated the notice and acknowledgment procedures. In effect, for our state, the amendments require personal service of all federal civil cases which are routinely filed by the U.S. Attorney. We have been meeting with both the U.S. Attorney's Office and the U.S. Marshal's Office in an attempt to ease the implementation of these new rules.

One alternative to personal service is to have the defendant's waive service. The U.S. Attorney's Office will attempt to have the defendant's waive service as their standard procedure in all civil cases.

When the defendant's do not agree to waive service, or if other good cause(s) exist, the U.S. Marshal will be requested to provide personal service on behalf of the U.S. Government, in accordance with FRCP 4(c)(2). To avoid the necessity of a separate order in every civil case in which the U.S. Government is the plaintiff, the U.S. Marshall will honor the attached standing order as proposed by the U.S. Attorney.
